Does your partner check your phone and/or social media?

Does your partner constantly text, call or stalk you?

Does your partner blame you for their behaviour?

This is NOT Healthy. This is ABUSIVE.

- Young people experience the highest rates of domestic abuse of any age group.
- Research has shown that Young People have worryingly high levels of acceptance of abuse within relationships.
- Abuse can occur in relationships regardless of Gender, Age, Ethnicity or Sexual Orientation.
